

April 17, 2024

SECONDARY WATER NOTICE

As a reminder, the district will start the process of turning on the Secondary Water (Irrigation water) lines starting **Next week April 22, 2024 – April 26, 2024.**

This process can take some time as they check for leaks and/or brakes and make repairs. You will want to check the secondary water lines on your property to make sure you do not have any leaks; this will keep you from getting overage charges.

Also, remember that this water is **NOT** to be used **during the day between 10:00 am – 6:00 pm**

Sincerely,

Wolf Creek Water & Sewer Improvement District
